Todo proyecto costado con fondos de CDBG tiene que ser evaluado para determinar su impacto ambiental. La evaluación ambiental se lleva a cabo antes de la firma de un acuerdo y en ninguna circunstancia el solicitante podrá incurrir en obligaciones (commitments) hasta tanto se complete el proceso.

Los fondos de esta competencia estarán disponibles tan pronto se firme el "grant agreement" entre el Municipio de Caguas y HUD.

Los fondos de esta competencia estarán disponibles tan pronto se complete la evaluación ambiental, se liberen los fondos y se firme el acuerdo con la entidad. Ninguna organización que sea seleccionada podrá iniciar su proyecto sin la autorización del Municipio. Cualquier Gasto incurrido antes de la autorización del proyecto no será reembolsado.

Cualquier propuesta recibida fuera de la fecha establecida por el Municipio no será considerada.

Que una entidad reciba fondos durante un año programa no garantiza que los recibirá el próximo año ya que los mismos son competitivos.

Toda entidad sin fines de lucro que reciba una asignación de más de \$30,000 tendrá que cumplir con los requisitos de informes de La Ley de Transparencia y Rendición de Cuentas de Financiamiento Federal (FFATA), también conocida como la Ley de Transparencia (P.L.109-282, modificada posteriormente por la sección 6202(a) de P.L.110-252).

Toda entidad sin fines de lucro que interese participar de esta competencia deberá tener recursos suficientes para iniciar el proyecto y cubrir los costos del primer mes de llevar a

cabo la actividad propuesta. El Municipio en cumplimiento con las reglas de manejo de efectivo de fondos federales (Cash Management) reembolsara dichos costos y los subsiguientes con la presentación de la evidencia de que los mismos fueron pagado. En situaciones que lo requieran el municipio podrá evaluar otros métodos de desembolso disponibles para permitir que la entidad pueda iniciar su proyecto.

**IDENTIFICADOR ÚNICO DE ENTIDAD (UEI – UNIQUE ENTITY IDENTIFIER)
REEMPLAZA EL NÚMERO DE DUNS**

Desde el pasado 4 de abril de 2022, el gobierno Federal dejó de usar el número DUNS (Data Universal Numbering System o Sistema Universal de Numeración de Datos) para identificar entidades de forma única. Ahora, las entidades que interesen recibir donativos (grants) federales tienen que solicitar el Identificador Único de Entidad o también llamado ID de Entidad Único (UEI – Unique Entity Identifier) creado en SAM.gov (System for Award Management – Sistema para la Administración de Subsidios). El UEI también es requerido a negocios e individuos que recibirán pagos por bienes o servicios.

¿QUÉ ES EL IDENTIFICADOR ÚNICO DE ENTIDAD?

El UEI es el identificador oficial para poder recibir donativos hechos por el Gobierno de los Estados Unidos ya sea directamente o través de agencias estatales o municipios. El UEI es alfanumérico de 12 caracteres y lo asigna únicamente SAM.gov. El gobierno Federal utiliza el sistema llamado SAM, en el que debe estar registrada cualquier entidad que quiera solicitar los fondos federales. El UEI es requerido para empresas con fines de lucro, organizaciones sin fines de lucro, contratistas gubernamentales o subcontratistas, así como gobiernos estatales y locales.

El UEI se solicita en SAM.gov. y, si su entidad ya estaba registrada en SAM.gov y poseía un “DUNS Number”, ya sea que esté activa o no, ya tiene un UEI, que podrás encontrar en ese sistema. Si deseas obtener más información sobre cómo ver tu UEI, puedes consultar este enlace: https://www.fsd.gov/gsafsd_sp

¿CÓMO OBTENER UN NÚMERO UEI?

Si su entidad no está ni ha estado registrada en SAM.gov, usted deberá registrarse de manera gratuita para obtener el UEI. **AVISO IMPORTANTE: LOS TRAMITES DE SAM SON COMPLETAMENTE GRATUITOS. NO SE DEJE ENGAÑAR POR PAGINAS DE INTERNET CON NOMBRES SIMILARES QUE COBRAN POR REGISTROS QUE SE PUEDEN OBTENER GRATUITAMENTE EN LAS PAGINAS OFICIALES DE SAM.GOV.**

Para completar el registro necesitaras información sobre la corporación incluyendo: el nombre legal y la dirección física. El sistema no permite el uso de apartados postales como dirección. La información de la dirección es validada a través del (Entity Validation Service) el cual es un servicio que se utiliza para verificar de forma independiente que una entidad tiene una dirección física independiente. Es posible que soliciten la fecha y el estado en el que se incorporó la corporación para fines de validación. También podrían pedirle documentación adicional para verificar la identidad de la corporación. El proceso es uno tedioso que toma tiempo.

ADVERTENCIA SOBRE EL UEI

La Administración de Servicios Generales de los Estados Unidos (GSA – U.S. General Services Administration), no se pone en contacto directamente con las organizaciones sobre el UEI, por lo que, si recibes una llamada o correo electrónico no solicitado sobre una UEI, debes tener cuidado. No proporcione información personal sobre la corporación por correo electrónico o teléfono.

INFORMACIÓN SOBRE EL UEI

Para obtener más información sobre tu UEI, puedes visitar SAM.gov, donde encontrarás las preguntas frecuentes sobre el tema y, si aún necesitas ayuda, puedes buscar consultar en el sitio web de Federal Service Desk (FSD.gov) o solicitar ayuda de un agente de FSD durante el horario comercial de 8:00 a.m. a 8:00 p.m. (EST) de lunes a viernes.

Entity Registration Checklist

Appendix II

What is an entity?

The term “entity” refers to prime contractors, organizations or individuals applying for assistance awards, those receiving loans, sole proprietors, corporations, partnerships, and any U.S. federal government agencies desiring to do business with the government. “Entity” can also refer to a party that has been suspended or debarred, is covered by a prohibition or restriction, or is otherwise excluded from doing business with the government.

What is entity registration?

An entity registration allows you to bid on government contracts and apply for federal assistance. We will assign you a Unique Entity ID as part of entity registration.

Comprehensive and current entity information is essential for the federal award process. It is important to prepare your information and allow sufficient time to understand and accurately complete your registration. You only need to complete and manage it here to remain eligible for federal awards. You must renew your registration every 365 days for it to remain active.

When will my registration become active?

Allow at least **ten business days** after you submit your registration for it to become active in SAM.gov. If your entity fails TIN or CAGE code validation, you will receive an email with instructions on updating your information and resubmitting your registration. Please check your spam or junk mail for messages during this time; messages will be sent to the Government Business POC. You may need to work with the IRS or CAGE to update your information before resubmitting your registration.

How do I check the status of my entity registration?

If you have a role with an entity and are signed in to your SAM.gov account, you can check your entity registration status. You can also check the status of an entity’s registration as a federal user. If none of these is the case, you cannot check an entity’s registration status.

1. Sign in to SAM.gov. You must be signed in to check your registration status.
2. From the home page, select the “Check Registration Status” button. The page is also linked in the footer of all pages on SAM.gov.
3. Enter a Unique Entity ID or CAGE Code and select “Search.” The entity’s registration status will display below.
